

# HONEY BADGERS CLUB

# WHAT IS HONEY BADGERS CLUB?

HBC is a collection of 9,999 unique Honey Badger NFTs – unique digital collectibles living on the Ethereum blockchain as ERC-721. Each Honey Badger is unique and programmatically generated from over 200 possible assets, such as expression, clothing, outfit, eyewear and more. All honey badgers are honeyed. But some are rarer than others.

# THE SPECS

## FAIR DISTRIBUTION

Buying a Honey Badger costs 0.077 ETH.  
There are no bonding curves or price tiers;  
HBC membership costs  
the same for everyone.

## HBC EXCLUSIVE

By being a Honey Badger owner, you are  
gaining membership access to a club whose  
benefits and offerings will increase over  
time.

## GIVING BACK

A 5% of all revenue community-based  
donation will be made to a charity picked by  
the members of our Discord channel.

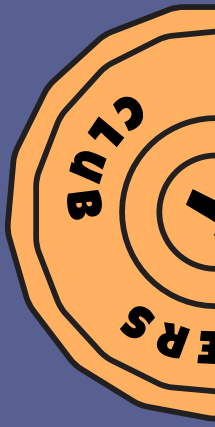

## ALTERNATE REALITY

Get ready for play-to-earn alternate reality  
gaming experience. All Honey Badger  
holders will be privileged  
to access pre-launch.
